Profile Synopsis

To seek an Organization where my skills find ample opportunities for up-gradation of my knowledge and growth of my career and where I can prove myself. I am a quick learner and I enjoy being a part of a successful and productive team as well as possess a strong ability to perform individually.

Experience Summary

Experience of 40 Months in IT field with the profile of System Engineer in Tata Consultancy Services, working across multiple technologies have helped me to stay abreast of new developments within the industry. Versatility in quickly adapting to new coding conventions is combined with a 'can-do' attitude. This means I am happy working independently or in a close team environment, and apply a positive attitude to every project.

Professional – Project Experience

- Creation of State Diagrams for Vehicle features.
- Creation of test cases for vehicles testing according to provided specification.
- Creation of electronic wiring diagram using Adobe Illustrator CS-5.
- Process Improvement (Automation) for Quality Check of Wiring diagrams using Adobe Illustrator CS-6
